

Name

Peddi Mahender

Designation

Project Junior Scientist

**Education**

PhD (July 2016 -Till date)
Indian Institute of Technology, Madras

B.Tech (July 2012- May 2016)
Metallurgy and Materials Engineering
Rajiv Gandhi University of Knowledge Technologies, Basar Telangana State

Research Area of Interest

Electrode materials for lithium ion batteries. Microstructure- property correlation.

Professional Experience

Project Junior Scientist Nov 2017- Till date
Centre for Automotive Energy Materials (CAEM), ARCI Chennai, India

Research Scholar

Dept of MME, Indian Institute of Technology, Madras

Selected as “**INAE Summer Research Fellow**” for the year of 2015.

Contact Information

Centre for Automotive Energy Materials (CAEM),
